Re: Daily Transportation to the Hennepin Technical College (HTC)

Your student is enrolled at Hennepin Technical College for one or more semesters during the 2012-2013 academic year.

Since we are unable to monitor on a daily basis which students ride the bus, which students drive their own cars, and which students ride in the cars of other students, please discuss this with your student so that he/she is clear about your guidelines.

Please sign the form below and indicate whether your student will take the bus, private car or may do either.

Thanks.
